

# The Rotary Club of Templeton

November 25, 2007

Dear Community Members,

We are pleased to let you know that *the Rotary Club of Templeton has established a tax exempt, not for profit foundation*. The Foundation is focused on scholarships for our local youth. We believe education is the key to productive lives for young people. This in turn will strengthen our community.

The Foundation is specifically an endowment foundation. Your donation will be posted as capital. Only the income earned from the capital will be used for our stated purpose, *scholarships*. This way your gift will live on to help generations of local youths fulfill their dreams.

We have now begun our fundraising activities. Our board is composed of professionals who donate their time to the Foundation. We would be honored to have you partner with us and to donate the amount you deem appropriate to the Foundation.

*Giving funds to the Rotary Club of Templeton Foundation will help pave the way to a brighter future for our high school graduates. We hope you will join us in pursuing this goal of raising \$100,000.*

Your contribution will be tax deductible in the year it is made. Because you will not receive any material benefit for your contribution your gift will be *100% tax deductible*. Please keep this letter for tax documentation purposes. Thank you in advance for your generosity.

**Please make your check payable to The Rotary Club of Templeton Foundation.**

**Please take or mail to RaboBank, Ms. Cindy Warren, Manager;
